Give reason for appeal (Be Specific). *I am dissatisfied with the response at Step 1 because...*

**BASIS OF THIS APPEAL:** The investigative determinations given to Step 1 of this complaint were wordplay by its Investigator to evade addressing the "ELEPHANT-IN-THE-ROOM" subject grieved therein... I.E., CmHCC policy G-51.11 is, in actuality, a purposeful, "ONE-SIZE-FITS-ALL", "FREEZE-FRAME", "BLANKET-BAN" type of policy that robs Appellant (and other Gender Dysphoric Transgender Offender(s)) of the right to have their medical/mental health needs evaluated and determined SOLELY... by the U.T.M.B Gender Specialist based upon individualized needs. The Step 1 investigative determinations reflect that this issue was artfully dodged by its Investigator therefore warranting this appeal.

**Argument Supporting This Appeal:** Gender Dysphoria treatment "IS NOT"! effective. CmHCC's "ONE-SIZE-FITS-ALL", "FREEZE FRAME", "BLANKET BAN" type policy is unconstitutional, as it's administered, because it's intentionally designed to interfere with the administration of appropriate treatment for a serious mental illness—specifically it impedes the administration of ameliorative treatment! Appellant in Step 1 of this complaint, DID NOT!!! argue entitlement to a specific treatment for Gender Dysphoria. She contended that such treatment SHOULD BE!!! based upon individualized need determined by the U.T.M.B Gender Specialist medical authority / medical judgement reflecting the current accepted WPATH "STANDARD OF CARE" for the treatment of Gender Dysphoria.

A review of the medical grievance and documentation has been completed regarding your medical complaint for TDCJ to extend all grooming standards to accommodate all Gender Dysphoria inmates.

According to the TDCJ Offender Handbook the inmate has specific standards of behavior outlined in section 3 on personal cleanliness and grooming departmental Policy and Operations manual A.D. 03.31. The medical department has no purview of these rules of cleanliness and grooming. Please submit a I-60 to the Warden or security staff of your unit for changes requested.

The review of the documentation indicates you did not attempt informal resolution of your medical concerns with the medical supervisory staff. Your facility has an informal complaints process in place. If you have future medical, dental, or psychiatric-related complaints, you must first attempt resolution through this process. Please refer to Correctional Managed Healthcare Policy [CMHC] 12.1 HAS-34.

Who did you talk to (name, title)? Dr. Lanette Lynthicum (Dir. T.M.B Health Serv) When? 6-22-2021

What was their response? Official contacted has been unresponsive to issued grievance

What action was taken? Issue grievance remains unresolved as of complaints filing date

State your grievance in the space provided. Please state who, what, when, where and the disciplinary case number if appropriate

BASIS OF THIS MEDICAL COMPLAINT: Grievant is a transgender offender diagnosed as Gender Dysphoric. Per the Correctional Managed Health Care program at TDCJ, offender is to be provided health care services determined to be medically necessary. The purpose and intentment of CMHC Policy G-5111 is, "To provide specific guidelines in the management of offender(s) with intersex conditions and offender(s) diagnosed as Gender Dysphoric to ensure that offender(s) with complaints consistent with intersex or Gender Dysphoric are evaluated by appropriate Medical and Mental Health professionals and treatment is determined on a case-by-case basis and clinically indicated. In actuality this policy is a "ONE-SIZE FITS ALL" / "BLANKET-BAN" type of policy. This complaint is Grievant's contestion of this policy.

ARGUMENT SUPPORTING THIS MEDICAL COMPLAINT: As it's applied CMHC policy G-5111 still doesn't allow flexibility for the U.T.M.B Gender Specialist to deviate when treating all spectrums of Gender Dysphoria thus obstructing the correct, effective, necessary, ameliorative treatment being prescribed based upon an assessment and determination of individualized need. This tight leash on the medical authority / medical judgement of the U.T.M.B Gender Specialist has the high probability to adversely affect Grievant and other Gender Dysphoric transgender(s) offender(s). How?? By placing her / them at a substantial risk of clinical, significant psychological distress, dysfunction, debilitating depression and in some cases suicidality and death. This is psychological abuse thus an infliction of Cruel And Unusual Punishment upon grievant and other Gender Dysphoric, transgender offender(s).

Action Requested to resolve your Complaint.

U.T.m.B Gender Specialist be extended Carte blanche medical authority in the treatment of Gender Dysphoria, Transgender offender(s)

- You must attach the completed Step 1 Grievance that has been signed by the Warden for your Step 2 appeal to be accepted.
- You may not appeal to Step 2 with a Step 1 that has been returned unprocessed.

Give reason for appeal (Be Specific). I am dissatisfied with the response at Step 1 because...

Basis of this Appeal: Appellant, in step 1 of this complaint, contested that the TDCJ's grooming standards are underinclusive of gender dysphoric, transgender offenders but did not assert that she was similarly situated as female offenders based solely on biological anatomical sex characteristics or her gender identity/gender expression but that a transgender offender(s) (MTF or FTM) documented medical issue (i.e. gender dysphoria) should be recognized as an exemption to the TDCJ's grooming standards as such a medical issue would exempt a heterosexual, male offender. The substantial excess of the step 1 complaint that was circumvented is that the TDCJ's grooming standards are underinclusive of a gender dysphoric transgender offenders (MTF and FTM) objectively verified medical condition and are enforced by TDCJ officials to foist upon them traditional heterosexual norm roles and discourage (what is judged by TDCJ officials) as non-traditional behavior.

Argument Supporting this Appeal: According to the TDCJ's Grooming Standards its purpose is to ensure grooming compliance related to security, safety and sanitation with exceptions given to offenders who have a documented medical issue. This policy however is applied arbitrary and discriminatory. It permits an entire class of persons (i.e. trans-female TDCJ offenders) to grow their hair long (some beyond shoulder length) and style it in ponytails or braids in accordance with their unit policy. Why this allowance is not extended to trans women offenders? Security and safety, why? Reasonings?? TDCJ has contended this in many legal battles against concerning its grooming standards. This has been proven false and dispelled in the legal case of Odileek vs. Pierce 2018 U.S. Dist Lexis 56024 S.D. Tex. 2018) by the Sullivan expert testimony.

Are these aspects not the arbitrariness of TDCJ's grooming standards and its underinclusiveness of gender dysphoric transgender offenders, hence in violation of the Fourteenth Amendment's Equal Protection Clause??

STEP II OF GRIEVANCE PROCESS

worry et al) results from another person's conduct as Provocation. Though Psychologically injurious neither transsegregative proselytization nor conversionary Psychotherapy draw blood breaks bone cause serious physical injury or incapacitates a Gender Dysphoria transgender offender. Nevertheless they are both mental forcible indoctrination of biological sex acceptance equivalent to brainwashing hence a violation of the Eighth Amendment's proscription against Subject line: Someone diagnosed with a serious mental illness to cruel & unusual punishment Offender Signature: Darrel Alexander Date: April 27th, 2022

## Grievance Response:

A review of the medical grievance and documentation has been completed regarding your medical complaint for psychotherapy and discuss standards of care.

According to the medical documentation you have been afforded standards of care and referred to the Gender Dysphoria specialist. Your medication has been discontinued and you signed a refusal for the care of the specialist in Gender Dysphoria Clinic. You are advised to submit a Sick Call Request to the medical unit provider for renewal of referral to the specialist to discuss all your needs.

The review of the documentation indicates you did not attempt informal resolution of your medical concerns with the medical supervisory staff. Your facility has an informal complaint process in place. If you have future medical, dental, or psychiatric-related complaints, you must first attempt resolution through this process. Who did you talk to (name, title)? Bobby Lumpkin (Dir TDCJ-CID) ET.HL When? 6-14-21

What was their response? Official contacted has been unresponsive w/ issue grievance

What action was taken? Case remains unresolved as complaints filing date

Please state your grievance in the space provided. Please state who, what, when, where and the disciplinary case number if appropriate.

For FERMOSE GRIEVANT, who is a transgender offender diagnosed as Gender Dysphoric, files this complaint challenging that the TDCJ Grievance Standards are discriminatory and discriminatory & transphobic by not allowing them exemption based upon their "documented medical issue" as mandated per Administrative Directive 03-R3 and Security Memorandum 06.16.

BASIS OF THIS COMPLAINT: This grievance/complaint is against Bobby Lumpkin (Dir. TDCJ-CID). Why?? As the Dir. TDCJ-CID according to Texas Government Code 494.002(A), he is empowered to adopt policies governing the humane treatment (ET.HL) of TDCJ offenders. Since his appointment Dir. Lumpkin has arbitrarily enforced TDCJ Grievance Standards which are, like other TDCJ policies) underinclusive of Gender Dysphoric, transgender offender(s) by not allowing them exemption to the Standards by recognizing Gender Dysphoria as a "documented medical condition".

ARGUMENT SUPPORTING THIS COMPLAINT: Such an enforcement of the Standards, by Dr. Lumpkin is: (I) DISCRIMINATORY because it permits both religious and medical exemptions to the Standards for cisgender offender(s) ONLY!!! BUT NOT!!! transgender offender(s) diagnosed as a Gender Dysphoric; (II) Psychologically abusive, because forcing a Gender Dysphoric, transgender offender to comply with the same Grievance Standards as a cisgender offender has the potential to trigger and/or exacerbate the negative morbidities inherent of Gender Dysphoria; and; (III) CONTRADICTORY to the W PATH(s) "Standards of Care".

Action Requested to resolve your Complaint.  
 Dr. Lumpkin extend en-masse exemption to the TDCJ Grooming Standards of all Gender Dysphoria, transgender offenders by revamping the Standards

You must attach the completed Step 1 Grievance that has been signed by the Warden for your Step 2 appeal to be accepted. You may not appeal to Step 2 with a Step 1 that has been returned unprocessed.

Give reason for appeal (Be Specific). I am dissatisfied with the response at Step 1 because...

foremost, this appeal is based on the Circuit Court(s) analysis given In re In re Johnson 2013 U.S. App. Lexis 2005 (Fourth Cir. VA. 2013)

Basis of this appeal: the issue that was circumvented by the Step 2 investigative phase of this complaint is that subjection of gender Dysphoric transgender offenders to transmisogynistic presely, zation and/or conversionary Psychotherapy is in actuality a wanton failure of the TDCJ(s) contractual unit level (Q.M.H.P.S) to provide such offenders with adequate and effective Ameliorative treatment for a serious mental illness... i.e to provide gender transitioning related treatment for gender Dysphoria emulative of the WPATH(s) Triadic treatment sequence. Their doing so is Injurious Psychologically and can exacerbate the "distress" that is inherent of gender Dysphoric transgender person. According to the WPATH(s) Standards of care Q.M.H.P.S should: \* have familiarity with gender nonconformity; \* Act with appropriate cultural competence \* Exhibit sensitivity in providing care. The issue grieved in Step 3 of this complaint and subject of this appeal is that the Psychotherapy (on a unit level) that gender Dysphoric transgender offenders receive from the TDCJ(s) contractual unit level Q.M.H.P.S. Is not!! the Psychotherapy intended by the WPATH(s) Triadic treatment sequence. Argument Supporting This Appeal: According to the American Psychiatric Association transmisogynistic presely, zation and conversion Psychotherapy are both Psychotically debilitating, exacerbating and aggravated varying degrees of emotional distress in gender Dysphoric transgender person(s). "Emotional distress" (i.e mental suffering; mental anguish; mental or nervous shock or the like) including all highly unpleasant mental reactions (i.e. fright, horror, grief, shame; humiliation; embarrassment; anger; despair; disappointment).

Shock, or the like) including all highly unpleasant mental actions (I.E. fight, horror, 'enfet', shame 'humiliation', embarrassment, rage, 'Chargin', disappointment, 'worry', ET AL) results from another person conduct as provocation, though psychologically injuries neither transmissible prostration nor conversionary psychotherapy draws blood, breaks bone, causes grievous physical injury or incapacitates a Gender Dysphoric indoctrination of biological sex.

## Grievance Response:

A review of the medical grievance and documentation has been completed regarding your medical complaint for evaluation and treatment of the mental health provider.

You have refused any evaluation by the Gender Dysphoria Clinic on 03/1/2022. Your medications Estradiol and Spironolactone have been discontinued due to non-compliance. There is no documentation you have seen mental health for any evaluations. You may submit a sick call request to discuss your referral with the unit medical provider to the Gender Dysphoria Clinic and issues with mental health problems.

The documentation indicates you did not attempt informal resolution of your medical concerns with the medical supervisory staff. Your facility has an informal complaints process in place. Who did you talk to (name, title)? Dr. Lamarr Linthicum (Dir. TDCJ Health Services) When? Dec 32, 2021

Foremost, the issue griev herein is applicable ONLY!!! to the TDCS(S) contractual unit level mental health providers who have interactions with Transgender offender(s). Of!!! those who provide then psychotherapy in a manner contradictory to WPATH(S) "Standards of care".

Basis of This medical complaint: The substantiveness of this medical complaint is that Gender Dysphoric, transgender offender(s) Do Not!!! receive adequate and effective psychotherapy from the TDCS(S) contractual unit level (Q.M.H.P(S)) within the incongruities of their dysphoria manifest. Most Q.M.H.P(S) subject them to either "trans-misogynistic proselytization or conversionary psychotherapy" to disavow their certitude of their gender identity (et.al). In instances when a transgender offender or Gender Dysphoric, transgender offender exhibits indicia of Gender Dysphoria (i.e. varying severities of depression, anxiety, verbal expressions of self-harm et.al) the TDCS(S) contractual unit level (Q.M.H.P(S)) will (Often times) talk to them as if they are non-person(s); talk around them; talk over them harshly ever (sometimes never) letting them get a word in edgewise and/or are largely dismissive concerning their gender identity issues (et.al) this type of "psychotherapy" is far left of that which is a treatment aspect of WPATH(S) "Standards of Care" therefore ineffective health care for the treatment of Gender Dysphoria.

Argument Supporting This medical complaint: Psychotherapy is not intended to Alter a Transgender person(s) gender identity, rather Psychotherapy is intended to help an individual explore their gender concerns and find ways to alleviate gender dysphoria. The overarching treatment goal is to help transgender persons (et.al) achieve long term comfort in their gender identity, gender expression (et.al) by this IS NOT!!! attainable by the acrimonious behaviors of the TDCS(S) contractual unit level Q.M.H.P(S) as described herein thus denying Gender Dysphoric, transgender

You must attach the completed Step 1 Grievance that has been signed by the Warden for your Step 2 appeal to be accepted. You may not appeal to Step 2 with a Step 1 that has been returned unprocessed.

Give reason for appeal (Be Specific). I am dissatisfied with the response at Step 1 because...

BASIS OF THIS APPEAL: Appellant is a transgender inmate diagnosed as Gender Dysphoric in accordance with the criterias of CMHC Policy G-51.11 that is categorized within the Correctional Managed Health Care Policy Manual under Sec. G ("Special Needs And Services") thereby Appellant (by being Gender Dysphoric) is a "special needs inmate" whom are defined by TDCJ Policy as, "Inmates who require special consideration with regard to / require treatment due to current medical and/or mental health status (including inpatients and outpatients)." Via the filing of this Step II Appeal Appellant again request, as a "special needs inmate," medical/special accommodation... i.e., issuance of a medical shower pass granting Appellant to shower separately/privately from other inmates(s).

VALIDITY OF THIS APPEAL: Gender dysphoria, defined by the American Psychiatric Association is, "clinically significant distress by an incongruence between gender identity and assigned sex." Dealing with the daily rigmarole (et. al) to shower (or being showered with cisgender, general pop. inmates) is mentally/emotionally arduous for Appellant and exacerbates the inherent morbidities of gender dysphoria (i.e., intense anxiety, depression, sleeplessness et. al).

POINT OF THIS APPEAL: ISSUANCE of A MEDICAL SHOWER PASS by ESTELLE UNIT MEDICAL (E.G., GRANTING HER "SPECIAL ACCOMMODATION") would allow her to actually shower separately from other INMATES. DENIAL/CONTINUAL DENIAL by ESTELLE UNIT MEDICAL, WARRANTS the filing of this STEP II.

Offender Signature: D. Alexander

Date: March 10<sup>th</sup> 2023

Grievance Response:

A review of the Step 1 medical grievance has been completed regarding your report you are being denied a medical shower pass.

According to documentation, the appellate review of the medical grievance supports the response provided at the Step 1 level. You have not been medically diagnosed as a gender dysphoric patient at this time. You were referred to gender dysphoria specialty clinic on 11/15/22. However, you missed two different scheduled encounters with this clinic. Your request for a shower pass is not handled by medical as security ensures your safety. Please submit a Sick Call Request to be re-evaluated in the gender dysphoria clinic.

No further investigation is warranted through the grievance process for this issue. Review of the documentation indicates you would benefit from review of Correctional Managed Health Care (CMHC) policy G-51.1 for any further gender dysphoria concerns. Should you feel your medical concerns require further evaluation you may submit a Sick Call Request to the medical department.

**BASIS OF THIS APPEAL:** ESTELLE UNIT (MARCH 14<sup>th</sup>, 2023) UNDERWENT A PREA Audit. According to the Estelle Unit Safe Prisons Sgt the findings of that PREA Audit was that the Estelle Unit was found to be to be non-compliant / in violation of many Safe Prisons mandates relative to trans-women assigned to the Estelle Unit. THESE FINDINGS by the PREA Auditor, contradicted the INVESTIGATIVE DETERMINATIONS given to Step 1 of this complaint thereby substantiating it. BASIS OF THIS APPEAL: INVESTIGATIVE DETERMINATIONS GIVEN BY ASST. WARDEN BLACKSHIRE TO STEP 1 OF THIS COMPLAINT ARE INVALENT AND CIRCUMVENTED OF ITS PREMISE. WHY??? BECAUSE: (A) WHAT TIME ESTELLE UNIT TRANSGENDER INMATES SHOWER IS IRRELEVANT TO THE PREMISE OF THE STEP 1 COMPLAINT, AND, (B) CAPT. FERGUSON IS NOT AN ESTELLE UNIT SAFE PRISONS OFFICIAL. THE COMPLAINT IS AGAINST ESTELLE UNIT SAFE PRISONS OFFICIAL(S) FOR THEIR ABJECT FAILURE TO CONTINUING ABJECT FAILURE!!! TO STRIDENTLY ENSURE/ENFORCE THAT ESTELLE UNIT SECURITY (ITS ENTIRE RANK & FILE) UNIFORMLY COMPLY WITH SEC. II(B)(7) OF THE TDCJ SAFE PRISONS PLAN BEYOND MERELY CHANGING THE SHOWERING TIME OF ESTELLE UNIT(S) TRANSGENDER INMATES WHICH IT HAS DONE NUMEROUS TIMES BUT THEIR DOING SO HAS PROVEN TO BE A "BICYCLE PATCH" TYPE SOLUTION THAT DOES NOT!!! ENSURE/ENFORCE UNIFORM COMPLIANCE WITH SEC. II(B)(7) OF THE TDCJ SAFE PRISONS PLAN BY ESTELLE UNIT SECURITY HENCE JUSTIFICATION FOR THE FILING OF THIS APPEAL.

ARGUMENT SUPPORTING THIS APPEAL: CAPT. FERGUSON IS CORRECT THAT ESTELLE UNIT(S) TRANSGENDER INMATE(S) SHOWER AT 1:00PM BUT DURING THIS TIME PERIOD THEY ARE STILL SHOWERED IN CATCH-AS-CATCH-CAN MANNER OFTEN TIMES CLASHING WITH THE SHOWER TIMES OF GENERAL POPULATION INMATE(S).

POINT OF THIS APPEAL: Estelle Unit Safe Prisons officials have changed the location where Estelle Unit transgender inmate(s) shower, time when they shower but an actual changing of policy thereby ensuring adherence/compliance with Sec. II(B)(7) of the TDCJ Safe Prisons Plan by Estelle Unit Security.

Facility Operations/Showering Of Transgender Inmate(s)

Premise: Grievant is a transgender inmate. According to Sec. II(B)(7) - TDCJ Safe Prisons Plan, "Offenders identified as transgender or intersex shall be... given the opportunity to shower separately from other offenders in accordance with CMHC policies." Adherence/compliance with this mandate of the TDCJ Safe Prisons Plan is the responsibility of/enforced by the oversight of TDCJ Safe Prisons Official(s). As of this complaints filing date Estelle Unit Safe Prison Official(s) have failed (continued to fail...) to ensure adherence/compliance with Sec. II(B)(7) of the TDCJ Safe Prisons Plan by Security of the Estelle Unit thereby justifying the filing of this viable complaint against Estelle Unit Safe Prisons Official(s) and Estelle Unit Security.

Validity: According to TDCJ Policy; "Offenders shall be given the opportunity to shower.... Offenders shall normally shower one time each day." Interpretively this is applicable to transgender offenders whereas Sec. II(B)(7) of the TDCJ Safe Prisons Plan particularizes/specifies the showering of transgender and intersex offender(s)... i.e., gender differentiation.

MAR 10 2023

ARGUMENTATION: ESTELLE UNIT SECURITY, STARKLY CONTRADICTORY TO SEC. II(B)(7) OF THE TDCJ SAFE PRISONS PLAN, AFFORDS TRANSGENDER INMATES IN A CATCH-AS-CATCH-CAN MANNER PRIMARILY BECAUSE;

- (A) ESTELLE UNIT SAFE PRISON OFFICIAL(S) DO NOT STRICTLY MANDATE THAT ESTELLE UNIT SECURITY COMPLY WITH SEC. II(B)(7) OF TDCJ SAFE PRISONS PLAN, AND;
- (B) THERE IS NOT A "TRANSGENDER INCLUSIVE" TDCJ POLICY EXACTING THE SHOWERING OF TRANSGENDER INMATES.

Action Requested to resolve your Complaint:  
GRIEVANT, TO RESOLVE THIS COMPLAINT, REQUEST BE SHOWERED IN ACCORDANCE WITH SEC. II(B)(7) OF THE TDCJ SAFE PRISONS PLAN.

Offender Signature: D. L. Alexander Date: March 10<sup>th</sup>, 2023

Grievance Response:

The grievance office has investigated your concern. According to Captain Ferguson, transgender inmates shower at 1:00 p.m. Your allegations of unprofessional conduct by staff could not be substantiated. Staff conduct will continue to be monitored to ensure professionalism and policy compliance. Immediate corrective action will be taken should any staff misconduct be confirmed. Based on the evidence at this time, no further action is warranted.

RE: SA-200904310-00001

Inmate Alexander,

This letter is in response to correspondence received October 04, 2023, regarding your allegation of PREA standard violations at the Estelle Unit pertaining to showers and work assignment for inmates who identify as transgender.

The TDCJ has zero tolerance for sexual abuse and sexual harassment and requires all allegations of sexual abuse and sexual harassment to be thoroughly investigated. The PREA Ombudsman Office is responsible for the oversight of administrative investigations concerning allegations of sexual abuse and sexual harassment. We fully review each administrative investigation and the unit's response to allegations of sexual abuse and sexual harassment. In addition, allegations of sexual abuse received in the PREA Ombudsman Office are referred to the Texas Board of Criminal Justice, Office of the Inspector General (OIG) for possible criminal investigation. Criminal investigations do not fall within the purview of the PREA Ombudsman Office; therefore, any questions regarding a criminal investigation should be directed to the OIG at P.O. Box 4003, Huntsville, Texas 77342.

The PREA Ombudsman Office conducted a review of the unit's administrative investigative reports regarding the allegation, to include statements. The Estelle Unit advised a showering schedule is in place for transgender inmates. All transgender inmates are searched separately from other inmates and are assigned work details in accordance with TDCJ policy and the PREA standards. We completed our investigative review on October 25, 2023. Based on the information we reviewed, the PREA Ombudsman Office has closed this inquiry request and no further action will be taken.

Sincerely,

*Teresa Gardner*

You must attach the completed Step 1 Grievance that has been signed by the Warden for your Step 2 appeal to be accepted. You may not appeal to Step 2 with a Step 1 that has been returned unprocessed.

Give reason for appeal (Be Specific). I am dissatisfied with the response at Step 1 because...

JUSTIFICATION FOR THIS APPEAL: INVESTIGATIVE DETERMINATIONS  
GIVEN TO STEP 1 OF THIS COMPLAINT REFLECT INVESTIGATORS  
MISINTERPRETATION OF AD.04.17 - SEC. (A)(1)(I)(M) AND SEC. C(8)  
OF THE TDCJ SAFE PRISONS PLAN HENCE REASON FOR THIS APPEAL.

BASIS OF THIS APPEAL: According to the TDCJ Safe Prisons Plan - Sec. C(8); "The Agency Shall Not!!! place lesbian, gay, bisexual, transgender or intersex inmates in dedicated facilities, units or wings solely on the basis of such identification...." Omited are "cells" WHEREAS Sec. III(A)(1)(I)(M) of AD.04.17 Allows for housing (in-cell) by transgender identification.

ARGUMENT SUPPORTING THIS APPEAL: Housing in cell, by transgender identification Is Not!!! expressly prohibited by Sec. C(8) of the TDCJ Safe Prisons Plan. Housing by transgender identification Does Not!!! create "dedicated" housing. Whenever regulations give specific list(s) of things, that list indicates the specific target of the legislative intent. Legislators, if they had meant "cells" when conceiving Sec. C(8) of the TDCJ Safe Prison Plan they would particularized "cells" therein.

POINT OF THIS APPEAL: Omitting "cells" from SEC. C(8) of the TDCJ SAFE PRISONS PLAN MEANS "CELLS" ARE EXEMPT FROM IT THEREBY ALLOWING HOUSING BY TRANSGENDER IDENTIFICATION WHICH APPELLANT (AAZW) REQUEST WITH THE FILING OF THIS APPEAL OF THE STEP I(C) INVESTIGATIVE DETERMINATIONS.

Grievance Response:

An investigation has been conducted by the Central Grievance Office. The answer received on your Step-1 was appropriate. Classification advised you are appropriately housed at this time. However, to clarify, there are multiple factors considered in assigning offender housing including offender assessment, whether the placement ensures the offender's health and safety, and whether the placement presents management or security problems. There is no evidence of policy violations and/or employee misconduct. No further action is warranted by this office.

Premise Of This Complaint: GRIEVANT IS A TRANSGENDER INMATE. AS A TRANSGENDER INMATE HER HOUSING ASSIGNMENT WITH CISGENDER, MALE INMATE(S) VIOLATES SEC. III(A)(1)(I)(M) OF AD.04.17 DUE TO THE FACT THAT HER VIEWS (WITH RESPECT HER BEING HOUSED WITH CISGENDER, MALE INMATE(S)) ARE NOT!!! GIVEN SERIOUS CONSIDERATION (MANDATED PER SEC. III(A)(1)(I)(M) — IT EXPRESSLY STATES THEREIN; "TRANSGENDER IDENTIFICATION SHALL BE!!! CONSIDERED WHEN MAKING HOUSING ASSIGNMENTS". STARKLY CONTRADICTORY TO THIS POLICY WHENEVER GRIEVANT (OR OTHER TRANSGENDER INMATES) MAKE IT KNOWN TO AN APPLICABLE AUTHORITY (SUCH AS TDCJ CLASSIFICATION AND/OR TDCJ SAFE PRISONS) THE INCOMPATIBILITY OF THEIR HOUSING ASSIGNMENTS WITH CISGENDER (MALE) INMATES, AND REQUEST HOUSING COMPATIBLE TO THEIR GENDER IDENTIFICATION (A REQUEST

MANDATE Case 4:24-cv-01709 Document 1 Filed on 05/07/24 in TXSD Page 47 of 91 (AN) such a "REQUEST" is often times ignored, disregarded, treated dismissively (et al) by TDCJ Classification and/or TDCJ Safe Prisons thereby abandoning GRIEVANT (and other transgender inmates) to in-cell situations that pose a legally defined "PERVERSIVE RISK OF HARM" in relation to their gender identity. The issue grieved herein is viable, via this official complaint GRIEVANT is making it known to the Applicable Authority her request to be housed according to her gender identity.

Your claims have been investigated by this office. You were appropriately advised at the step 1 level. Your housing location is appropriate and in compliance with all policy requirements. Also, there is nothing in policy stating that transgender inmates have to be housed with other transgender inmates. Numerous factors are considered when assigning inmates housing, with the safety and security of the facility being of the utmost importance. No further action is warranted by this office.

ADDENDUM

## Equal Protection Claim - Claim One

Policymaker(s) Class Based "Breach of Implied Contract" In The Provision of Ameliorative Healthcare Relative To Special Needs Inmate(s)

Plaintiff is: Alexis D. Alexander (TDCJ-CID#: 00738300)

Plaintiff is a transgender woman diagnosed February 1<sup>st</sup>, 2019 as Gender Dysphoric by the contractual health care providers of the Texas Department Of Criminal Justice in Accordance with diagnostic criteria set forth within Defendant CMHC-Dcm(s) policy for the treatment of Gender Dysphoria. This serious mental health condition is not a gender identity disorder but a physical/mental impairment as it is defined by Title II of the Americans With Disabilities Act and Rehabilitation Act.

Plaintiff, on behalf of herself and class, presents herein a viable class-based Equal Protection claim against all members of Correctional Managed Health Care Committee (i.e., Defendant CMHC-DCM including Dr. Lannette Linthicum) as policymakers and/or policy administrators for class-based violations of Title II mandates of the Americans With Disabilities Act and Rehabilitation Act for Defendant CMHC-Dcm(s) ministerial failer to make "reasonable accommodation" relative to the provision of ameliorative, gender-transitioning and/or gender-affirming related healthcare administered to Plaintiff and her class for the effective and appropriate

## treatment of Gender Dysphoria.

Plaintiff, on behalf of herself and class, sues all members of Defendant CMHC-DCM (including Defendant Linthicum who is a member of Defendant CMHC-DCM) in their individual and official capacity as policymakers and/or policy administrators for committing purposeful "breach of implied contract" as it is legally defined by the Texas Tort Claim Act. This "breach of implied contract" violates Title II "reasonable accommodation" mandate of the Americans with Disabilities Act and Rehabilitation Act relative to any entity, such as Defendant CMHC-DCM, complying with Title II of the Americans with Disabilities Act and Rehabilitation Act by accommodating the physical/mental impairment(s) of "special needs" persons such as Plaintiff and her class.

Defendant CMHC-DCM is a statutorily created entity that is responsible for developing, implementing, and monitoring the correctional managed healthcare (medical and psychiatric healthcare) that all Texas Department of Criminal Justice inmates receive from its contractual healthcare providers. This "implied contract" is the Managed Care Plan that legally enjoins Defendant CMHC-DCM, the Texas Dept. Of Criminal Justice and its contractual healthcare providers in a "reciprocal contract" as the term is defined by the Texas Tort Claims Act statutorily and legally obligating Defendant CMHC-DCM to;

- (I) Develop and approve a managed health care plan that specifies the types and general level of care for all TDCJ inmates.

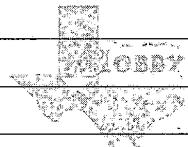

(II) Ensure continued access to needed care in the Correctional healthcare system

(III) Furnish advise, provide medical expertise and assist TDCJ in implementing its statewide health policies.

(IV) Resolve disputes between TDCJ healthcare providers or contracting entities in the event of a disagreement relating to inmate healthcare services.

Defendant CMHC-DCM, in compliance with its "statutorily endowed reciprocal contractual agreement between themselves, the TDCJ and its contractual healthcare providers, conceived/architected a class specific "implied contract" (i.e., CMHC Policy G-51.11) between themselves, Plaintiff and her class (creating a "special relationship") to provide her/ them effective, ameliorative gender-transitioning and/or gender affirming related healthcare (medical and psychiatric) for the appropriate treatment of Gender Dysphoria to be administered to Plaintiff and her class by a specialist Q.M.H.P (Gender Specialist) based upon the Q.M.H.P(s) individualized determination. Having semblance to the WPATH Standards of Care the facial intendment of Defendant CMHC-DCM(s) "implied contract" between themselves and Plaintiff's class is to;

(A) Provide guidelines in the management of inmates with intersex conditions and Gender Dysphoria;

(B) Ensure that inmates with complaints consistent with intersex conditions or Gender Dysphoria are evaluated by appropriate medical and mental health professionals and treatment is determined on a case-by-case basis as clinically indicated.

Defendant CMHC-DCM, contrary to the facial intentment of its "implied contract" to provide Plaintiff and her class ameliorative, gender-transitioning and/or gender-affirming related healthcare for the effective treatment of Gender Dysphoria, has/continues to;

(A) Arbitrarily disregard the "terms" of the "implied contract" by undermining/overriding the medical judgement of the specialist Q.M.H.P and capriciously determining whether a particular type/form of ameliorative, gender-transitioning and/or gender-affirming related healthcare for the treatment of Gender Dysphoria is "medically necessary" or not.

Defendant CMHC-DCM doing so is Defendant CMHC-DCM committing "breach of implied contract" as it is legally defined by prohibitive aspects of the Texas Tort Claim Act... i.e., reneging on its part of the "implied contract" to provide Plaintiff and her class ameliorative, gender-transitioning and/or gender-affirming related healthcare that conforms with generally accepted standards of medical and/or mental health practice considered effective for the treatment of Gender Dysphoria namely WPATH Standards Of Care.

Plaintiff and her class are considered by Defendant CMHC-OCM and the TDCJ to be "special needs inmates". The policy that mandates, Defendant CMHC-OCM(s) treatment for Gender Dysphoria is categorized by Defendant CMHC-OCM as a "special needs" policy thus Defendant CMHC-OCM defines Plaintiff and her class as "special needs inmates". According to/defined by TDCJ policies; "special needs inmates" are those who require special consideration/who require treatment due to current medical and/or mental health status including those who are inpatients and outpatients". Interpreted special consideration is "reasonable accommodation" relative to the treatment of a special needs inmate in relation/due to their current medical and/or mental health status.

Plaintiff and her class, as "special needs inmates", are legally entitled to being provided "reasonable accommodations" by Defendant CMHC-OCM in relation to their "disability" according to Title II mandates of the Americans With Disabilities Act and Rehabilitation Act. As of date Defendant CMHC-OCM has failed to provide Plaintiff and her class that "reasonable accommodation" of being prescribed ameliorative gender-transitioning and/or gender-affirming related healthcare for the effective treatment of Gender Dysphoria that comports with generally accepted standards of medical and/or mental health practice considered effective for the treatment of Gender Dysphoria namely WPATH Standards Of Care.

Defendant CMHC-OCM(s) "breach of implied contract" is, in actuality, Defendant CMHC-OCM(s) object failer to provide Plaintiff and her class "reasonable accommodation" (relative to the effective treatment of Gender Dysphoria) as "reasonable accommodation"

defined by Title II of the Americans With Disabilities Act and Rehabilitation Act. This "faire" be Defendant CMHC-Ocm, to provide Plaintiff and her class "reasonable accommodation" (ie, "reasonable accommodation" in the form of gender-transitioning and/or gender-affirming related healthcare that comports with generally accepted standards of medical/mental health practice) has resulted in Plaintiff and the following / select members of her class... i.e.,

Jacob (Isabelle) Miller TDCJ-CID:#02127932

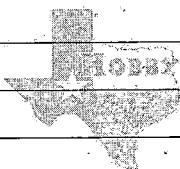

Roy (Rachael Anne) McMillion TDCJ-CID:#01966148

Marcus (Heather Marie) Rhodes TDCJ-CID:#0114367

Samuel (Lily Anne) Hopkins TDCJ-CID:#01986831

David (Bubble Lee) Haverkamp TDCJ-CID:#00762023

Scott (Vanessa Lynn) Gibbons TDCJ-CID:#0069a888

Suffering the inherent morbidities of Gender Dysphoria (major depression, intense anxiety, suicidal ideations) and/or physical injury (self-mutilation, genital mutilation, attempted self-emasculation, emasculation and suicide). This "suffering" is psychologically impacting significantly enough to disrupt some of their major life activities (i.e., eating, sleeping, learning et. al) thereby violating Title II prescriptions of the Americans With Disabilities Act and Rehabilitation Act.

Plaintiff and her class, as special needs person(s), are statutorily entitled to Title II ADA defined "reasonable accommodation" (as other special needs person(s) who also receive Title II ADA defined "reasonable accommodation" relative to their particular / specific physical / mental impairment in relation to the effective / appropriate treatment of Gender Dysphoria to alleviate their "suffering" (i.e., psychological / emotional suffering) attributed to the inherent morbidities of Gender Dysphoria.

Defendant CMHC-OCM (s) class-based, discriminatory failer (continuing failer) to provide Plaintiff and her class Title II / ADA defined "reasonable accommodation" (i.e., ameliorative gender-transitioning and/or gender-affirming related healthcare) violates prescriptions of the Equal Protection claim against Defendant CMHC-OCM including Defendant Linthicum.

Plaintiff, with the filing of this class-based Equal Protection claim on behalf of herself and class against Defendant CMHC-OCM, challenges

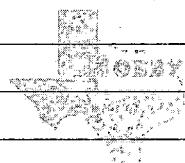

the legality and constitutionality of Defendant CMHC-DCM committing "breach of implied contract" in relation to its unconstitutional one-size-fits-all, blanket-ban type policy for the treatment of Gender Dysphoria that impedes, obstructs (et.al) Plaintiff and her class from being provided ameliorative gender-transitioning and/or gender-affirming related healthcare. This purposeful "breach of implied contract" committed by Defendant CMHC-DCM violates prohibitive aspects of the Texas Tort Claim Act hence the substantiveness of this class-based, Equal Protection Claim against Defendant CMHC-DCM including Defendant Linthicum

Plaintiff, on behalf of herself and class, sues each member of Defendant CMHC-DCM (including Defendant Linthicum) in their individual and official capacity as policymakers for the viable assertions presented herein this class-based, Equal Protection claim.

In Propria Persona

Alexis D. Alexander,

Plaintiff

## Equal Protection Claim - Claim Two

Policy Administrator(s) Class-Based, Gender / Sex-Stereotyping Of A Protected Class That Denies "Reasonable Accommodation" Mandated By Title II Of Americans With Disabilities Act

Plaintiff is Alexis D. Alexander (DOC#-CID:#00738390)

Plaintiff is a Transgender woman diagnosed February 1<sup>st</sup>, 2019 as Gender Dysphoric by the contractual health-care providers of the Texas Dept of Criminal Justice in accordance with diagnostic criteria set forth within Defendant CMHC-CM(b) policy for the treatment of Gender Dysphoria. This serious mental health condition is not a gender identity disorder but a physical/mental impairment as it is defined by Title II of the Americans With Disabilities Act and Rehabilitation Act.

Plaintiff presents herein a viable class-based Equal Protection Claim against Bobby Lumpkin, as a policy administrator, for his manner of "gender-based differentiation" between cisgender inmates and transgender inmate(s) that subjects Plaintiff and her class to unconstitutional class-based, gender/sex-stereotyping thereby violating proscriptions of the Equal Protection Clause which emphatically prohibits "gender-based differentiation" that is (in actuality) class-based, gender / sex-stereotyping of Plaintiff and her class based upon their gender-identity.

Defendant Lumpkin(s) manner of purported legitimate "gender-based differentiation" between cisgender inmates and transgender inmates is Defendant Lumpkin(s) committing ministerial malfeasance as a policy administrator that denies plaintiff and her class "reasonable accommodations" mandated by Title II of the Americans With Disabilities Act and Rehabilitation Act relative to special needs person(s). Plaintiff sues Defendant Lumpkin on behalf of herself and class in his individual and official capacity, as a policy administrator, for the meritis assertions made herein that violate Title II of the Americans With Disabilities Act, Rehabilitation Act and proscriptions of the Equal Protection Clause.

Defendant Lumpkin, as the Institutional Division Director for the Texas Dept. of Criminal Justice, is statutorily empowered to adopt policies governing the humane treatment (et.al.) of all inmate(s) sentenced to the Texas Dept. of Criminal Justice. Synopsis  
Defendant Lumpkin(s) purview of authority is guiding the day-to-day operations and management of his Division. It is he who administers and enforces "behavior specific policies/gender specific policies" dictating acceptable and unacceptable inmate behavior (i.e., the TDCJ Standards of Behavior). Most such policies, named herein this Claim, are unconstitutional "gender-based differentiation" policies that ultimately violate proscriptions of the Equal Protection Clause wherein it prohibits a government from treating different classes of person(s) differently unless there is a sufficiently, legitimate purpose for doing so. This unconstitutional "gender-based-differentiation" (gender-sex-stereotyping), committed by Defendant Lumpkin as presented herein this Claim, significantly infringes upon the constitutionally endowed fundamental rights and liberty interests to

Plaintiff and her class by the Equal Protection Clause.

Plaintiff's overall class (the TDCJ transgender inmate population) is comprised of 1,100 inmates who identify as transgender according to the Texas Dept. of Criminal Justice own data. The sub-class amongst this population are Gender Dysphoric, transgender inmate(s). The exact population of this subclass is unknown to Plaintiff. Such information is medical information thus shielded by / protected by the Health Insurance Portability Accountability Act (HIPPA). It is on behalf of herself and this sub-class that Plaintiff sues Defendant Lumpkin (the Texas Dept. of Criminal Justice) for allegedly failing to provide this sub-class (Plaintiff's sub-class) "reasonable accommodation" relative to the TDCJ-CIV Policy(s) referred to herein this Claim.

Plaintiff, and her class, are considered by Defendant Lumpkin (classified by the Texas Dept. of Criminal Justice itself) to be "special needs inmates". They are described by its policies as; "Inmates who require special consideration with regard to unit assignments, job assignments, disciplinary procedure, program participation, or who require treatment due to current medical and/or mental health status including those who are inpatients and outpatients" hence Title II protections of the Americans with Disabilities Act and Rehabilitation Act are applicable to this class-based, Equal Protection claim against Defendant Lumpkin and/or the Texas Dept. of Criminal Justice itself.

Defendant Lumpkin(s) is a policy administrator. His manner of "gender-based differentiation" (gender/sex-stereotyping) between cisgender inmates and trans-

gender inmates is starkly apparent and evident in the following Texas Dept. of Criminal Justice policies are underinclusive of Plaintiff and her class. These policies are discriminatively administrated and enforced by Defendant Lumpkin and/or his Division against Plaintiff and her class based upon their gender identity. Each of the following policies subject Plaintiff and her class to unconstitutional class-based, gender/sex-stereotyping thereby violating proscriptions of the Equal Protection Clause;

### (I) Administrative Directive 03.72 (Offender Property)

[A] Defendant Lumpkin allows cisgender female TDCJ inmate(s) to be issued gender-related clothing item(s), such as support brassiers, sports bras, panties --- whereas Defendant Lumpkin discriminatively does not allow issuance of the same gender-related clothing item(s) to Plaintiff and her class.

Defendant Lumpkin only allows issuance of non-supportive sports bras made from T-shirt material to Plaintiff and her class but Defendant Lumpkin discriminatively does not allow issuance of supportive brassiers to Plaintiff and her class who are undergoing gender-transitioning Hormone Replacement Therapy.

[B] Defendant Lumpkin allows cisgender female TDCJ inmate(s) to purchase gender related clothing item(s) --- briefs, panties, sports bras

et. al --- from the TDCJ Commissary(s) but Defendant Lumpkin discriminatively does not allow Plaintiff and her class to purchase the same gender-related clothing item(s) from the TDCJ Commissary(s).

Defendant Lumpkin only allows Plaintiff and her class (trans-woman) to purchase an item such as male boxer shorts from the TDCJ Commissary(s).

## (II) Administrative Directive 07.30 (Religious Programming)

### Administrative Directive 15.04 (Religious Beards)

[A] Defendant Lumpkin allows Muslim, transgender, female TDCJ inmates to possess a hijab or purchase one from the TDCJ Commissary(s) as a religious accommodation whereas Defendant Lumpkin discriminatively does not allow the same "accommodation" to those of Plaintiff's class whom are Muslim, transgender women.

Defendant Lumpkin discriminatively does not allow Muslim, Jewish, transgender male TDCJ inmates the "religious accommodation" of possessing either a kufi or yarmulke nor allow them to purchase either from the TDCJ Commissary(s).

[B] Defendant Lumpkin allows Native American, cis-gender male and female TDCJ inmates the religious accommodation to the TDCJ grooming standards whereas Defendant Lumpkin discriminatively denies the same "accommodation" to those of Plaintiff's class who identify as Native American and Two Spirit.

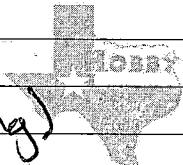

[C] Defendant Lumpkin allows Muslim, Jewish cisgender male, TDCJ inmates the religious exemption to the TDCJ Grooming Standards to grow a religious beard whereas Defendant Lumpkin denies the same "accommodation" to those of Plaintiff's class (trans-men) who are Muslim, Jewish et. al.

### (III) Administrative Directive 03.83 (Offender Grooming)

[A] Defendant Lumpkin allows cisgender, male TDCJ inmates with a facial, dermatological medical condition exemption (medical exemption) to the TDCJ Grooming Standards based upon it whereas Defendant Lumpkin denies the same "exemption" to Plaintiff and her class for their particular medical/mental health condition of Gender Dysphoria.

### (II) Administrative Directive 04.17 (Inmate Housing Assignments)

Administrative Directive 04.68 (Single-Cell Housing)

(22)

[A] Defendant Lumpkin allows class-based preferentialism in the housing/cell assignment(s) of cisgender, TDCJ special needs inmates ("reasonable accommodation") relative to their respective mental health status whereas Defendant Lumpkin discriminatively does not allow the same class-based ("reasonable accommodation") to Plaintiff and her class (special needs inmates) relative to their respective mental health status.

Plaintiff's pervading assertion, made with this claim against Defendant Lumpkin, is that;

(A) Defendant Lumpkin (the Texas Dept. Of Criminal Justice) chose to differentiate/distinguish Plaintiff and her class from cisgender inmate(s) Not!!! by their biological sex but!!! by their gender identity and/or gender presentation in many Texas Dept. Of Criminal Justice policies such as the TDCJ Classification Plan and TDCJ Safe Prisons/PREA Plan (ie, acknowledge/recognize Plaintiff and her class as transgender not cisgender) but then chose to;

(I) Gender / sex-stereotyping type Plaintiff and her class for not conforming to the same gender identity as cisgender inmate(s);

(II) Punish them / retaliate against Plaintiff and her class for individualizing, defining, asserting their gender identity through their gender presentation;

(III) Arbitrarily deny Plaintiff and her class the same privileges, entitlements (e.g. a) afforded cisgender, TDCJ inmates) via particular TDCJ policies such as those referred to within this Claim.

Defendant Lumpkin, via TDCJ Policy / AD.07.30, is to allow Plaintiff and her class to participate in established religious practices of their respective faith. This "allowance to participate" is endowed to Plaintiff and her class by the Texas Religious Freedom And Restoration Act thus constitutionally protected from infringement/impediment by the Religious Land Use And Institutionalized Persons Act which prohibits the imposition of a "substantial burden" on the religious exercise of a person residing in or confined to a correctional institution. This "substantial burden" (relative to TDCJ Policy / AD.07.30 as iterated herein this Claim) is Defendant Lumpkin(s) manner of "gender-based differentiation" (gender/sex-stereotyping) of Plaintiff and her class that significantly frustrates, obstructs, impedes her/their constitutional right of Religious Exercise. His doing so violates prescriptions of the Texas Religious Freedom Restoration Act and the Religious Land Use And Institutionalized Persons Act. Both statutes are applicable to this class-based Equal Protection Claim against Defendant Lumpkin. For violation of both statutes Plaintiff on behalf of herself and class sues Defendant Lumpkin in his official and individual job capacity as Correctional Institutional Division Director for the Texas Department Of Criminal Justice.

Defendant Lumpkin, via TDCJ Policy / AD.04.18, employs a majority of Plaintiff and her class in a myriad of job assignments within the Texas Dept. Of Criminal Justice therefore Plaintiff and her class are Defendant Lumpkin(s) "employees" as employee is defined by Title VII of the Civil Rights Act Of 1964. As "employees" Plaintiff and her class are statutorily protected against gender/sex-stereotyping.

committed by an employer based upon their gender identity. Such class-based gender/sex-stereotyping of Plaintiff and her class is emphatically prohibited by Title VII of the Civil Rights Act of 1964 as the Supreme Court established within *Bostock vs. Clayton*. This statute and Supreme Court ruling is applicable to this class-based Equal Protection Claim against Defendant Lumpkin. For violation of Title VII of the Civil Rights Act of 1964 and usurpation of Supreme Court ruling (relative to TDCJ Policy/AD.04.18 as iterated herein this Claim) Plaintiff on behalf of herself and class sues Defendant Lumpkin in his official and individual job capacity as Correctional Institutional Division Director for the Texas Dept. Of Criminal Justice.

Defendant Lumpkin, via TDCJ Policy/AD.07.02, is to allow Plaintiff and her class to participate in a motley of education, post-secondary education, rehabilitative programs (et. al) within the Texas Dept. of Criminal Justice but Defendant Lumpkin(s) manner of "gender-based differentiation" (gender/sex-stereotyping) "frustrates" Plaintiff and her class participating in many of these programs. Plaintiff and her class are statutorily protected against gender/sex-stereotyping committed by Defendant Lumpkin based upon their gender identity because said programs are funded by Federal Financial Assistance therefore Title IX of the Educational Amendments of 1972 is applicable to this class-based Equal Protection Claim against Defendant Lumpkin. For violation of this Federal Statute (relative to TDCJ Policy/AD.07.02 as iterated herein this Claim) Plaintiff sues Defendant Lumpkin in his official and individual job capacity as Correctional Institutional Division Director for the Texas Dept. Of Criminal Justice.

Defendant Lumpkin(s) class-based, gender/sex-stereotyping of Plaintiff and her class (as iterated herein this Claim relative

(25)

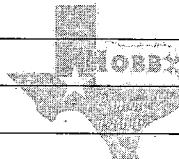

to the TDCJ policy(s) referenced) is Defendant Lumpkin subjecting Plaintiff and her class to unconstitutional, discriminatory, disparate treatment thereby violating Equal Protection Clause prescriptions. His doing so (continuing to do so) impunes the Supreme Court(s) preclusive findings given in *Bostock vs. Clayton* therein the Supreme Court decisively ruled that gender / sex-stereotyping of an LGBTQ class member based upon their being of the LGBTQ class to be unconstitutional.

Plaintiff, with filing of this class-based Equal Protection claim on behalf of herself and class, sues Defendant Lumpkin (the Texas Dept. Of Criminal Justice) in his individual and official capacity as a policymaker for committing a manner of "gender-based-differentiation" (gender / sex-stereotyping) that significantly impedes (et. al) Plaintiff and her class from being the recipients of "reasonable accommodation" mandated by Title II of the Americans With Disabilities Act and Rehabilitation Act relative to incarcerated special needs persons.
